Spring Bible Conference
May 5-6, 2018

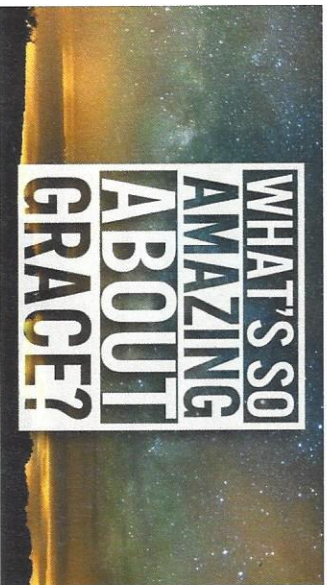

Featuring Guest Speaker:
Pastor Kevin Sadler, president of Berean Bible Society

“For the grace of God that brings salvation has appeared to all men.”
Titus 2:11 NKJV

The theme of our 2018 Spring Bible Conference is a question that speaks right to the heart of Biblical Christianity. Grace is that which makes the Christian faith unique among every religious belief system. It is about being spiritually transformed through a personal relationship with God Himself, the Lord Jesus Christ, as a result of being saved through faith alone (Rom.3:21-26). Grace is free because Christ paid the price with His blood and is the dynamic by which a Godly life is lived today in the present age according to the Pauline revelation. We anticipate meeting our Savior face to face at the pre-trib Rapture of the Church and look forward to you joining us for...
